<p>How has the Fund Performed?</p> <p>The 2018 annualized yield for Class A shares was 6.68% and is anticipated to be 6.00% - 6.75% for this year. Returns are after MER has been deducted.</p>	<p>Are there any Guarantees?</p> <p>No. Like mutual funds, the value of the MIC shares are based upon the value of the underlying assets.</p>
<p>Who is the target market for this fund?</p> <ul style="list-style-type: none"> • A medium risk mortgage fund suitable for investors looking for improved yield in the bond plus 3.5% range and who are comfortable with the risks involved in interim mortgage financing. • Investors who are able to make a mid to long term investment. 	
<p>Management Expense Ratio (MER)</p> <p>Management Fee: The fund pays a management fee to BFSI.</p> <p>Operating expenses: These are the day to day costs of operating the fund.</p> <p>Management Expense Ratio. This is the total of the management fee and operating expenses.</p> <p>Profit Participation</p> <p>The fund has established a target rate of return of Government of Canada 2 year bonds plus 3.5% for Class A Shares. Once this level of return has been achieved any income above this amount is shared with BFSI on a 75% Investor/25% BFSI basis.</p>	<p>2.00%</p> <p><u>0.67%</u></p> <p>2.67%</p>
<p>Other Fees</p> <ul style="list-style-type: none"> • Transfer fee: \$75 plus GST to transfer shares to another account. 	
<p>Trailing commissions:</p> <p>BFSI pays the investment firm, from its' management fee, a trailing commission of 1.0% per annum based on the value of the investments in the fund. The commission is paid quarterly based on the shares outstanding at the end of the fiscal quarter.</p>	
<p>Liquidity:</p> <ul style="list-style-type: none"> • Notice required 60 days before fiscal quarter end (March 31, June 30, September 30 & December 31). • Payment is made 1 month after the quarter end and in the case of Dec 31 year end, 2 months after the year end. • Payment is subject to available funds. <p>The mortgages held by the company are contractual obligations and are not readily liquid assets. While the Fund Directors attempt to provide liquidity when requested, investors should be aware that liquidity is dependent on loan maturity and repayment of mortgages.</p>	
<p>What if the client changes their mind?</p> <p>You can cancel the investment up to two days after you receive the trade confirmation.</p>	<p>For more information:</p> <p>This summary may not contain all the information you need. The Fund's Offering Memorandum has more detailed information.
